#### 12. **Option to Participate in OCR's Early Mediation Process**

OCR provides an early mediation process as an opportunity for you and the recipient institution to voluntarily resolve your complaint soon after you file it with OCR.

Mediation is a form of complaint resolution that OCR offers as an alternative to its investigative process. Mediation is an informal process in which a staff member from OCR who is trained in mediation assists the parties to reach a negotiated resolution of the complaint. The mediator does not decide who is right or wrong and does not have the authority to impose a settlement on the parties. Instead, the mediator helps the parties to find a mutually acceptable resolution to your complaint. Mediation is a strictly voluntary process. If either party does not want to participate in mediation, OCR will address the complaint through its regular processes.

*If you are interested in participating in the early mediation process, you must check the box below.* If you indicate your interest in early mediation by checking the box below **and** OCR determines that your complaint is appropriate for this process, OCR will contact you and the recipient institution and offer this resolution option. If the recipient agrees to participate in early mediation, OCR will work with you and the recipient to achieve a mutually agreeable resolution of your complaint. If the recipient does not wish to participate in early mediation, OCR will proceed with its regular processing of your complaint. *If you do not indicate your interest in early mediation by checking the box below, early mediation will not be offered to you and OCR will proceed with its regular processing of your complaint.* 

I am interested in participating in early mediation (Please check box):

**NOTE**: You **MUST** submit a signed Consent Form to OCR if you want to participate in early mediation.

# CONSENT FORM - FOR DISCLOSING NAME AND OTHER PERSONAL INFORMATION CONTAINED IN THE DISCRIMINATION COMPLAINT FORM TO OTHERS

(Please print or type except for signature line)

#### Your Name:

Name of School or Other Institution That You Have Filed This Complaint Against:

- The purpose of this consent form is for the Office for Civil Rights (OCR) to request your consent to disclose your name and other personal information when OCR decides that doing so will assist in investigating and resolving your complaint.
- For example, to decide whether a school discriminated against a person, OCR often needs to reveal that person's name and other personal information to employees at that school to verify facts or get additional information. When OCR does that, OCR informs the employees that all forms of retaliation against that person and other individuals associated with the person are prohibited. OCR may also reveal the person's name and personal information during interviews with witnesses and consultations with experts.
- If you do not consent to OCR disclosing your name or other personal information, OCR may decide to close your complaint if OCR determines it is necessary to disclose such information in order to determine whether the school discriminated against you.

**NOTE**: If you file a complaint with OCR, OCR can release certain information about your complaint to the press or general public, including the name of the school or institution; the date your complaint was filed; the type of discrimination included in your complaint; the date your complaint was resolved, dismissed or closed; the basic reasons for OCR's decision; or other related information. Any information OCR releases to the press or general public will not include your name or the name of the person on whose behalf you filed the complaint. **NOTE**: OCR requires you to respond to its requests for information. Failure to cooperate with OCR's investigation and resolution activities could result in the closure of your complaint.

- If you filed the complaint on behalf of a class of people, rather than any specific person, you should sign the form.
